SUBMISSION OF ISSUE FEE

Commissioner of Patents
and Trademarks
Washington, DC 20231

Dear Sir:

We enclose herewith a check for \$280.00 and the signed Issue Fee Transmittal form. Also enclosed is a signed Verified Statement Claiming Small Entity Status from LeRoy G. Hagenbuch, the president of Philippi-Hagenbuch, Inc. Of previous record in the present case is the signed Small Entity Statement of the inventor on behalf of himself. There is no assignment of record of the present case from LeRoy G. Hagenbuch to Philippi-Hagenbuch, Inc.

The Notice of Allowance requested 28 sheets of formal drawings and these were submitted to the U.S. Patent Office on October 19, 1988. These drawings are believed to overcome the drawing objections as set forth in Form PTO-948. The objections being met and the issue fee paid, this case is now in condition for issuance. You are hereby authorized to charge any additional fees which may be required to Account No. 12-1216.

LeRoy G. Hagenbuch
Serial No. 717,042

Signed at Chicago, in the County of Cook, State of
Illinois this 24th day of October.

Respectfully submitted,

Robert H. Benson
